# ACHIEVEMENTS

## Grade 10 PSAT (91 Candidates)

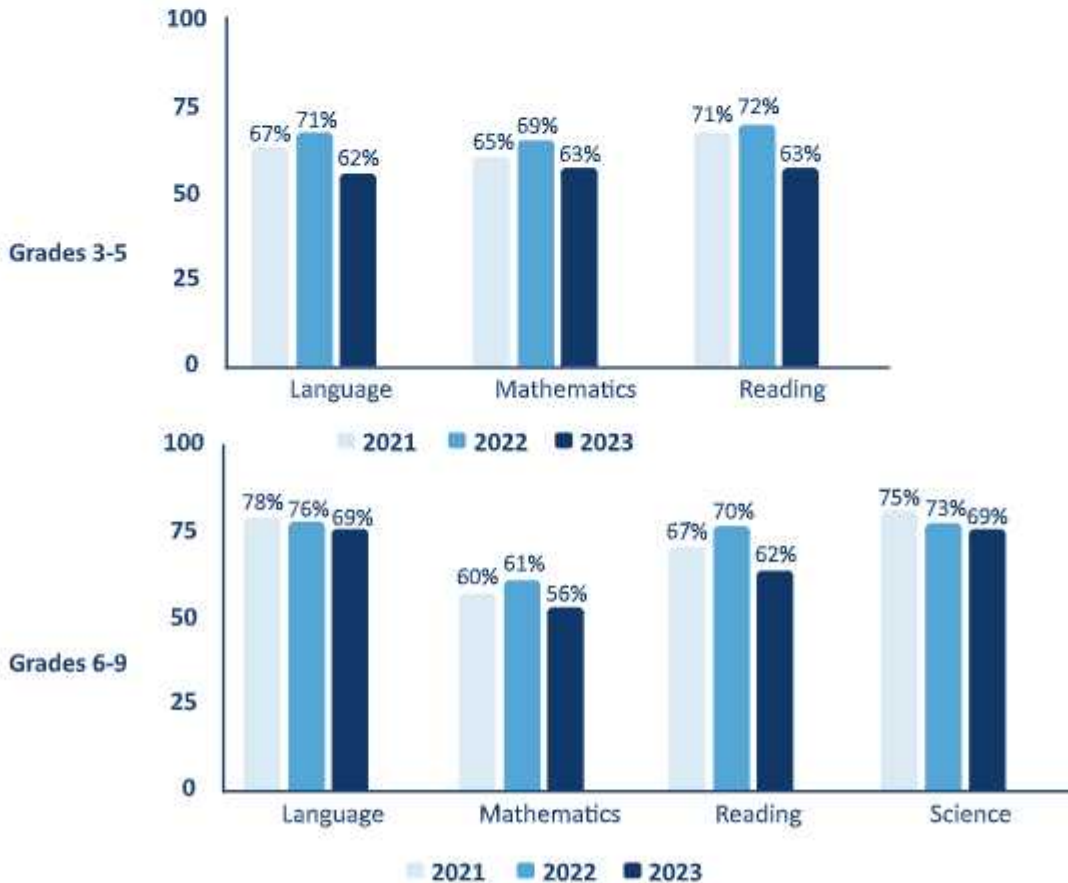

## Grade 11 PSAT (61 Candidates)

Benchmarks are the scores that represent college readiness.

## Measures of Academic Progress (MAP)

% of Students above World Average

Measures of Academic Progress (MAP) assessments in reading, math and language use are administered twice a year (Fall and Spring) to students in grade three through ten. MAP assessments are criterion-referenced, meaning they generate a score based on a level of knowledge and skill, not dependent on grade level. Scores are benchmarked against international norms. Numbers exclude students on formal intervention and Individualized Learning Program. Includes students receiving Learning and English Language support.
